

Mylonas Malagousia 2018

(89)

(Hand harvested from three selected vineyards in the area of Keratea in Attica at an altitude of 300 m. On the lees for 3 months). 2018 was a challenging vintage for Malagousia because of heavy rainfalls in July but Mylonas by lowering crop managed to produce a vivacious wine with a lovely balance of acid and body. Fruity but also floral with wonderful acidity and freshness this is already delicious yet will keep for the next 3 years.
