

Boutari Mavrophilero clone 2014

(90)

Moschofilero presents considerable clonal variation with Asprofilero and Xanthofilero planted at just 1% while Mavrophilero which has deeper colored berries seems to produce the best quality wines. This has a touch more alcohol 12% than the NAS and 4 g/l TA but is very delicate and lean. Packed with bright acidity and grapefruit this is fine and delicious.

Producer

Boutari

Region

- Peloponnese

Color / Type

- White

Variety

Mavrophilero

Vintage

- 2014

Date Tasted

Nov 2016
